Dear Fellow Rotarian:

Thank you for helping out The Rotary Club of Naples with food delivery for Collier Harvest. Here are a few instructions on what you need to do. The food is picked up at the Publix near the Vineyards. The address is: 5991 Pine Ridge Road, Naples, FL 34119. The food is picked up between 7:00 and 7:30am and takes approximately 1.5 hours to deliver.

When you get to the Publix, go to the bakery area inside the store. Introduce yourself to an employee and let them know you are there to pick up food for Collier Harvest. They will have several shopping carts full of food for you. When you get the items out to the car, you will need to divide them up evenly into three batches. Ask for some large clear garbage bags from Publix to make carrying and dividing the items easier.

There are three locations that we deliver food to:

1. The Salvation Army – 3180 Estey Ave, Naples, FL 34104

Turn left into the complex off of Estey Road. Drive all the way to the back and make a left. Head straight and make another left. You need to park and go around to the right of the building (near the shopping carts). Knock on the door to the kitchen. Someone will open the door and help you bring the items in.

2. St. Matthews House - 2001 Airport Road S, Naples, FL 34112

There is a food drop off location along the side of the building. It is very easy to find.

3. Tree of Life Church – 2132 Shadowlawn Dr, Naples, FL 34112

When you get to the church, pull up under the carport by the front door. If nobody is there to meet you, simply leave the food by the door.
